

# TEAC P55 Printer -- Media Reference Matrix

2/25/2008  
Revision 1010

The media list below represents what customers are using the most. While it's strongly recommended to use TEAC certified media, some customers are using other media that also successfully meet their printing needs.

## CD-R Media

Manufacturer*	Surface	Speed	Part Number	Color Print	Photo Print	Versamax	TEAC Certified	Comments
Taiyo Yuden (TY)	White	48X	CDR80WPT600SK	OK	NO	OK	√
